

Travelling to Academia, Innova Park, Enfield

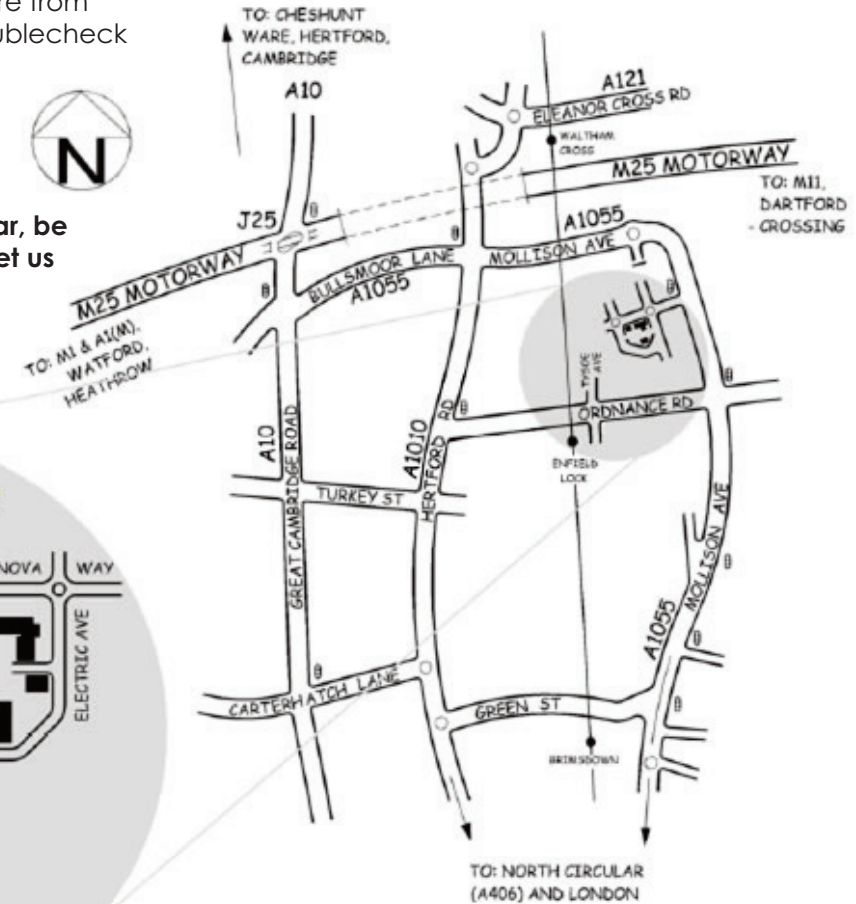

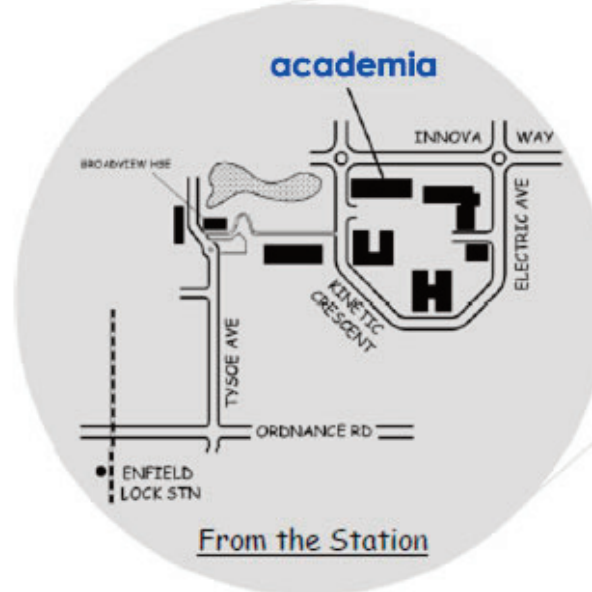

By CAR: If travelling by car, follow the directions on the enclosed map, approaching the centre from Mollison Ave. If you are using GPS, please doublecheck the location as there are errors with some postcodes. (GPS: 51°40'28.2"N, 0°01'22.3"W) When you arrive, Academia is the large silver building on the Innova Park estate, shared with Excitech.

(NOTE: If you plan to travel to the centre by car, be aware that car spaces are limited so please let us know in advance, so that we can ensure you have a space reserved)

By TRAIN: The nearest station is Enfield Lock, which connects to Tottenham Hale underground or Liverpool Street Mainline station.

The walk from the station takes around 10 minutes. On leaving the station, turn right onto Ordnance Road, then left into Tysoe Ave. Eventually you'll meet a mini-roundabout. On the far side of this, you should turn right and take the path running between the Broadview House flats and their car park. The path is a little hidden away, but you should see a silver fountain on your right with the business park ahead in the distance. Keep along the path until you come to the end. You will meet the estate road - Kinetic Crescent. Turn left then almost immediately right into the car park. Academia is the silver building at corner of the car park.
